

**FUN NIGHT SINGERS** . . . The Women's Chorale of the Palos Verdes State College, under the direction of Marshall Bialosky, will be one of the features at a "fun night" which will be held by

the Riviera Homeowners' Association Monday evening at the Parkway School beginning at 8. The public is being invited to attend the June 6 affair.

## Summer Day Camp Formed 'Slasher' Prompts More Intensive Stable Patrol

A summer day camp is being formed for all children of the South Bay Area between the ages of five and a half and twelve, announces Temple Menorah of Redondo Beach. The camp will be directed by professional counselors who have planned a varied program including swimming lessons, sports, arts, crafts, nature lore, music, dramatics and dancing. There will also be field trips, cookouts and overnight camp-outs.

There will be two sessions of four weeks each, five days a week. The first session is from July 11 through August 5, and the second runs from August 8 through September 2.

Supervisor Kenneth Hahn has requested the County Sheriff to intensify patrol near stables in the Dominguez and Palos Verdes Peninsula area because of the recent outbreak of horses being injured by a "slasher."

"It disturbs me greatly to read in the newspapers of horses being slashed and cut at night," Hahn said. "Any person who would cut a horse or other defenseless animal should be locked up."

Hahn said that in some cases the Sheriff's patrol cars will actually drive on the grounds of stables and riding clubs.

He acted upon the request of Carl Hoffman, president of the Harbor District Chambers of Commerce, who reported to him this week that seven horses were slashed at the Dominguez Riding Club at 195th Street and Main.

## Mailbox

Editor, Press-Herald . . . May I take this opportunity to say Torrance really outdid itself in the Armed Forces Day Parade. Torrance should feel very proud.

The different branches of the Armed Forces were very well presented. It did my heart good, as well as many others to see these proud men and women. Old Glory

never looked so good. It made my heart skip a beat to see her flying, her stars and stripes showing all of us what she stands for. In this world of turmoil, with Viet Nam hanging over our heads, we must be aware of the men and women risking their lives so that we may enjoy such wonderful parades as this one. Boys

who are at one moment dating their girls, driving their "cool" cars, surfing, and just enjoying life are the next moment fighting men in a war. They switch from stick-shift cars to rifles and bayonets, from be-bop music to the commands of a sergeant, and from the "Watusi" or the "Jerk" to marching and fighting jungle-style.

Yes, these are certainly boys, but they are just as definitely men, growing up almost overnight. I salute these men, here and overseas. It takes parades like this one to see America as she really is. God bless you, one and all. A tribute to all who made this parade possible.

MRS. ARLETTE WILLIAMS  
1555 W. 220th Street.

- Menveg has proved his ability to represent the 32nd District while other candidates have only promised.
- Menveg is the candidate who in the past has done more for the improvement of and the providing of new job opportunities in the 32nd District than any other candidate.

- Menveg is pledged to continue his fight to limit property taxes to 1 1/2% of the fair market value and to prevent wasteful spending.
- Menveg is pledged to continue to fight to prevent the tax income which is derived from the 32nd District being spent outside of the District as it has been in the past. You are entitled to have this income spent in the 32nd District to improve the service and facilities in your District.

### BIOGRAPHY

Lloyd Menveg was born in the 32nd District and has continuously resided in the District, as have two generations of his family before him. Menveg served as President of the Board of the Harbor Commissioners for the Port of Los Angeles for 8 years and is now a member of the State of California Yacht and Ship Brokers Commission. Lloyd is a veteran of World War II, and was a member of the Small Business Administration Advisory Council and for many years has been engaged in civic activities in the area.

### TAXES

Menveg is a home owner in the 32nd Dist. his heart is in the District, he is the candidate who has your interests and welfare at heart. Unfair taxes is one of the many issues which Lloyd has

pledged to fight. Lloyd believes that taxes on your home should be reduced to 1 1/2% of the fair market value and wasteful governmental spending stopped.

For many years the now present 32nd Dist. has been heavily taxed and its residents deprived of their share of the spending of such taxes and the improvements and services to be derived therefrom. In short, over the years, the 32nd Dist. has been taxed for the benefit of other Districts where the 32nd's money was spent. Lloyd Menveg will continue to fight to correct these abuses and cause the improvements and services derived from these taxes to be properly established in the 32nd District.

Menveg is the candidate who knows the operation and problems of the Los Angeles-Long Beach Harbors and Industry within the 32nd Dist. together with the problems of those residing within

the Dist. Menveg has been instrumental in bringing about much of the modernization of the Harbor facilities, including the Consolidated Marine Terminals and better facilities for both commercial and sportfishing. Lloyd has been instrumental in bringing new industry to the 32nd Dist. thus creating many new jobs and future job opportunities.

Among his many achievements, as a member of the Western Shipbuilding Assn., Menveg provided more jobs to the 32nd Dist. by raising ship construction and repair contracts to become available to the shipyards of the 32nd District.

### ACHIEVEMENT

During the past 20 years, Lloyd has worked for the betterment of what is now the 32nd Dist. Menveg has acted, produced, and demonstrated his ability, while other candidates who now wish to

make promises merely stood by. Lloyd is the candidate with the experience and ability which is necessary for your proper representation.

A vote for Lloyd Menveg is a vote to give to the 32nd Dist. the Senatorial leadership and representation which you of the 32nd Dist. have been deprived of in the past.
